

Please note if you are filling in the form fields using your computer

Filling in the Form. Put your cursor in the first field, enter your data, and use the TAB key to advance to the next field or SHIFT-TAB to go to the previous field. Once you have entered data in the last field, you must hit TAB one more time before printing.

Saving Your Work. You can fill out the form electronically, but depending on your software/computer you may not be able to save the document with the information you have entered. If that is the case, be sure to print out the completed form before exiting the document.

Memory Cache. The information you have entered on the form may persist for a while before it is cleared from your computer's memory.
