

Gender Inclusive Facility Waiver Form - Renovations and Additions

**GENDER INCLUSIVE FACILITY WAIVER REQUEST BASED ON HARDSHIP**

|                                   |  |
|-----------------------------------|--|
| <b>Project Number/Description</b> |  |
|-----------------------------------|--|

Date

**PROJECT COST**

|   |   |
|---|---|
| Construction cost of overall project                          | \$ <input style="width:100%;" type="text"/> |
| Construction cost of inclusive restroom work                  | \$ <input style="width:100%;" type="text"/> |
| Percentage of restroom cost/overall project construction cost | <input style="width:100%;" type="text"/>    |

**OCCUPANT LOAD & FIXTURE COUNTS**

Occupant load of building Occupants

|  | MEN               |            | WOMEN   |            |
|--|-------------------|------------|---------|------------|
|  | Toilets & Urinals | Lavatories | Toilets | Lavatories |
| 1,2,4 <b>Required</b> number of gender specific toilet/urinal fixtures |                   |            |         |            |
| <b>Existing</b> number of gender specific toilet/urinal fixtures       |                   |            |         |            |
| Number of gender specific fixtures including new inclusive restroom(s) |                   |            |         |            |
| Deficit (if any) with new inclusive restrooms and fixtures             |                   |            |         |            |

**PROXIMITY**

Are there other inclusive restrooms in this building? (Circle one)

If YES, indicate distance to nearest inclusive restroom in building.

3 If NO, indicate location of nearest inclusive restroom.

|  | YES or NO |  |   |
|--|-----------|--|---|
|  |           | Travel distance in feet                          | Travel distance - number of floors              |
|  |           | Travel distance in feet between building entries | Pedestrian travel time between building entries |

**HARDSHIP**

If space will be reassigned from programmatic or other dedicated use to construct the inclusive restroom(s), describe secondary effects of constructing restroom in this location.

(Describe)

**INTENT**

If inclusive restroom cannot be provided in this location, describe the proposed alternate solution and how it meets the spirit and intent of the inclusive restrooms guidelines.

(Describe)

**Notes**

- 1 "Separate" refers to California Code of Regulations, Title 24, Part 6--California Plumbing Codes, Section 422.2, Separate Facilities: "Separate toilet facilities shall be provided for each sex." See also Table 422.1 of the plumbing code for fixture count requirements.
- 2 Include additional code-triggered required separate fixture that must be added by the work of the new project, if any.
- 3 Pedestrian travel time is encouraged to be less than 2 minutes between building entrances to avoid extending break times and provide equivalent facilities.
- 4 Modify form as needed if assessing changing rooms or showers.
